# **Booking a trip?**

The following list details some of the things **you** should consider when booking a **trip** and travelling - this list is not exhaustive. Remember, **you** should read the full policy terms and conditions to understand what is covered and to ensure **you** have the right level of cover for **your** needs.

## Is your travel agent ABTA or ATOL protected?

If you book through a travel agent or broker, make sure they are ATOL or ABTA protected. This will ensure that you are covered if they go out of business, as this policy doesn't provide cover for travel agent or broker failures.

## • Could you benefit from a reciprocal health agreement on your journey?

When **you** travel abroad **you** may be eligible to benefit from a reciprocal health agreement. More details can be found on page 6. If **you** have used a reciprocal health agreement such as a European Health Insurance Card (EHIC) during **your trip we** will waive the **excess** in the *Emergency Medical and Travel Costs* section.

## Are you or your partner aged 70 or over?

If yes, then remember to buy an Age Upgrade before you book a trip. Details on how to do this are on page 6. You will not be covered by the policy if you have not purchased this upgrade.

## Are you travelling outside of Europe?

If yes, then remember to buy a Worldwide Upgrade before you book a trip. Details on how to do this are on page 6. You will not be covered by the policy if you have not purchased this upgrade.

## Do you or anyone to be covered by this policy have a medical condition that you need to cover whilst on a trip?

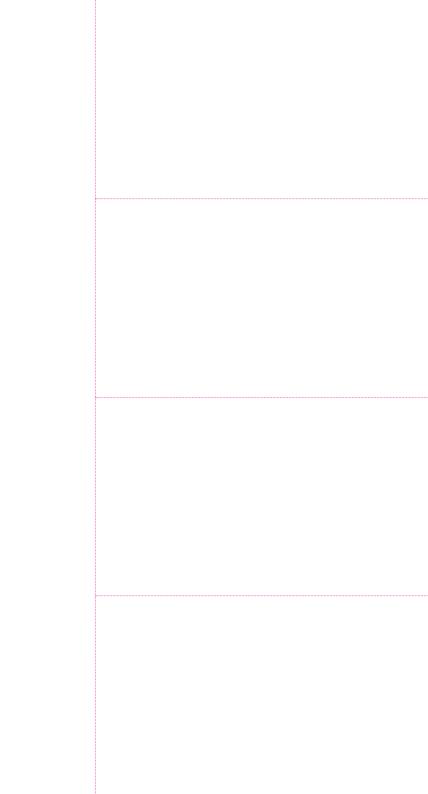

Make sure that **you** contact **us** before **you** book as this insurance automatically excludes cover for **medical conditions**. Details on how to do this and what **we** mean by a **medical condition** are on page 8. An additional premium may be payable or **we** may not be able to cover **medical conditions**.

## • Is your trip for more than 31 days?

This policy covers **you** for **trips** of up to 31 days. If **your trip** is longer **you** can purchase a Trip Extension Upgrade. This must be done before **your** departure from the **UK**. Further details on how to do this can be found on page 6.

## • Are you taking valuable items on holiday?

Remember to keep **your valuables** on **your** person or locked securely in **your** accommodation at all times. Details of the items covered and claim limits can be found on pages 29-30. If **you** need more cover **you** can purchase an Extended Personal Belongings Upgrade, further details can be found on page 40.

# Welcome to your FlexAccount policy document for European Travel Insurance

This policy booklet contains everything **you** need to know about **your** European Travel Insurance. Keep the booklet safe and remember to take it with **you** when **you** travel. **You** can find copies of all **your** account documentation at **nationwide.co.uk/downloads**.

**We** work with the Foreign & Commonwealth Office to do all that **we** can to help **you** stay safe overseas. Visit the FCO website at **www.gov.uk/travelaware** for essential travel advice and tips.

# **How To Make A Complaint**

We understand that things don't always go to plan and there may be times when you feel we've let you down. If this happens, we want you to tell us. We'll do our best to put things right as soon as possible or explain something we could have made clearer.

We'd like you to speak to us about your problem by calling this number 0800 051 0154. If you'd prefer to write to us you can send the letter to Customer Relations Manager, Churchill Court, Westmoreland Road, Bromley, BR1 1DP

Our staff are empowered to support you and will aim to resolve most issues within three working days, following receipt of your complaint.

If your complaint can't be resolved within three working days, we'll contact you to let you know who will be dealing with it and what the next steps are.

We will keep in regular contact with you. You'll also receive the following written communication from us depending on how long it takes us to resolve your complaint.

Communication Type	When will you get this?	What will it tell you?

#### **Independent Review**

If we don't complete our investigations within 8 weeks of receiving your complaint or you're unhappy with our response, you may ask the Financial Ombudsman Service to look at your complaint. This is a free and independent service. If you decide to contact them, you should do so within 6 months of our response letter. Referring your case to the Financial Ombudsman Service will not affect your legal rights.

You can contact them by:

Email: complaint.info@financial-ombudsman.org.uk

Phone: UK: 0300 123 9123 or 0800 023 4567 Abroad: +44 20 7964 0500

Writing to: Financial Ombudsman Service, Exchange Tower, London, E14 9SR

Their website also has a great deal of useful information: www.financial-ombudsman.org.uk

## If your complaint is about Legal Costs

You can refer complaints about claims under Legal Costs to arbitration instead (where an independent person, known as an Arbitrator, makes a decision to settle the dispute). The Arbitrator will be a solicitor or barrister or other suitably qualified person that you and we agree on. If you and we can't agree then we will ask the Chartered Institute of Arbitrators to decide. The Arbitrator's decision will be final and whoever does not win will have to pay all costs and expenses.

## **European Online Dispute Resolution Platform**

If you, an individual, purchased your policy online mainly for your own private use there is now an Online Dispute Resolution (ODR) platform created by the EU Commission, which can help with resolving disputes. You can enter any complaint, other than for trade, about your policy onto the ODR. This will forward your complaint to the correct Alternative Dispute Resolution scheme. For insurance complaints in the UK this is the Financial Ombudsman Service. Their contact details are above, if you prefer to contact them directly. For more information about ODR please visit <a href="http://ec.europa.eu/odr">http://ec.europa.eu/odr</a>.

# **Important Information**

This policy booklet gives full details of your cover. You should read it along with any upgrades and endorsements.

#### Your cover is made up of:

- · This policy booklet.
- Any upgrades.
- Anv endorsements.

In an emergency you need to speak to our emergency assistance service as soon as possible (see page 4 for contact details).

## **Providing accurate information**

You must provide us with information that is correct and complete to the best of your knowledge. If you think there is a mistake or you need to make changes, you need to let us know, If you fail to provide correct information it could affect your cover.

#### The law that applies

Under European law, **you** and **we** may choose which law will apply to this contract. Unless both parties agree otherwise English law will apply, but this choice of law does not restrict **your** rights under mandatory provisions of the law of the country where **you** permanently live.

We have supplied this agreement and other information to you in English and we will continue to communicate with you in English.

#### Meeting your needs

We have not given you a personal recommendation on whether this policy is suitable for your needs.

#### Changes to this policy

Nationwide can withdraw the cover or withdraw or change the benefits and services **you** receive under this policy for the same reasons for which Nationwide is permitted to make to **your** FlexAccount terms. For example sections of cover may be added or removed. If a change is made Nationwide will let **you** know and **we** will update the terms and conditions in this policy. The notice period can be found in **your** FlexAccount terms. **We** can also make changes to the terms and conditions in this policy. If this happens Nationwide will let **you** know using the same notice periods shown in **your** FlexAccount terms. **We** may make changes for the following reasons:

• To respond to any changes in law, regulations, industry guidance or codes of practice or to a decision by a regulator, court or ombudsman.

- To respond to changes in **our** costs, including administrative costs and the costs involved in providing these services or benefits.
- To respond to changes in technology.
- To reflect any changes in ownership or re-organisation due to a merger or acquisition.
- To maintain our financial strength to ensure we are in a position to cover claims made by all our policyholders.

As this insurance policy has no fixed end date, **we** may also need to withdraw the cover or make changes for other reasons that **we** cannot anticipate.

## Communicating a change

Changes we or Nationwide make to this policy will normally be notified to you by Nationwide.

If we need to make any change to your policy, and it is not to your disadvantage, we may do so immediately. For these types of changes, Nationwide will tell you about the change in one of the following ways:

- · Displaying information in a Nationwide branch.
- · Displaying information on the Nationwide website.
- · Advertising in the press.
- Sending you a secure message or notice via the Internet Bank or Banking app (if you are a registered user).
- · Including a message with your online or paper statement.

If the change is to your disadvantage or if we remove cover, Nationwide will tell you personally in one of the following ways:

- By writing to you (email, letter or text).
- · By including a message with your online or paper statement.
- By sending you a secure message or notice via the Internet Bank or Banking app (if you are a registered user).

You will be given at least 30 days notice of the change. If we remove cover you will be given 60 days notice, unless this is due to fraud – see General conditions – Fraud, page 15.

## If you have already booked a trip

Any changes that **we** or Nationwide make will only apply to **trips** that **you** book after the changes have been introduced. If **we** or Nationwide withdraw the cover entirely cover will end on the date provided regardless of whether **you** have already booked a **trip**.

## What you can do if we make a change

If you're not happy with a change and you decide you want to cancel your insurance cover, you will need to close your Nationwide FlexAccount. If you tell Nationwide you are closing your FlexAccount for that reason, you can withdraw all your money and close or switch the account without charge, provided you tell Nationwide within 60 days of the date you are told about the change. If you close your account, any money that you owe (including the payment of interest) will continue to apply until you have repaid all of the money.

## **European Union**

If your trip includes visits to any country in the European Union, Iceland, Lichtenstein, Norway or Switzerland, we strongly recommend that, if you qualify you obtain a European Health Insurance Card (EHIC) and take it with you whenever you travel. EHIC enables you to benefit from the reciprocal health agreements that are in place with these countries, and which also apply to certain other countries and territories.

If you use your EHIC to reduce the costs of medical treatment you receive, we will waive the excess on any claim under *Emergency Medical and Travel Costs*. EHIC is free and valid for five years; application can be made online at www.ehic.org.uk or by calling 0300 330 1350 and a separate card is required for every person travelling.

#### Australia

This policy does not cover **trips** outside of **Europe**. If **you** are planning a **trip** outside **Europe you** need to purchase a Worldwide Upgrade before **you** book **your trip**. If **your trip** includes a visit to Australia **you** must enrol at a local Medicare office, but **you** can do this after **you** have had treatment for the first time. **Inpatient** and outpatient treatment is then available free of charge.

#### Foreign & Commonwealth Office (FCO)

We are partners in the Foreign & Commonwealth Office's "Know Before you Go" campaign to keep British travellers safe and healthy abroad. Before you travel you should check out the website at www.gov.uk/foreign-travel-advice for travel advice and up to date information about countries you plan to visit. # **Emergency Assistance**

Our emergency assistance service provides 24-hour emergency medical assistance for any insured person.

#### In the event of an emergency

Please contact **our** emergency assistance service by phone as quickly as possible. Let them know that **you** are a Nationwide FlexAccount customer and provide details of the problem. An experienced co-ordinator in the **UK** will deal with **your** enquiry and make sure that if needed:

- · Hospitals are contacted and eligible fees are authorised.
- A doctor is consulted on the possibility of arranging your return to the UK.
- You get assistance when you arrive in the UK.

#### Medical advice

Our emergency assistance service will:

- Provide names and addresses of suitable doctors, hospitals, clinics and dentists. While on a trip, we may direct you to or arrange for you to
  move to a specific medical facility. We will only do this if it is safe and appropriate to do so.
- · Continue monitoring the patient's condition.

Our assistance co-ordinators are, in most cases, multilingual and able to converse with doctors and hospitals abroad.

# **Medical Screening**

Please read this section carefully. If **you** don't tell **us** about a **medical condition**, **you** and anyone else insured by this policy will not be covered for any claim connected to **your medical condition**.

#### Medical conditions

You need to tell us about any medical conditions when:

- · You first become an insured person (If you already have a trip booked).
- You book a tri
- · You add a guest (for cover on an existing or future trip) when you need to tell us about any medical conditions for the guest.

**We** consider an illness or injury to be a **medical condition** if an **insured person** would answer 'yes' to one or more of the questions below: In the last 12 months have **you** suffered from, received treatment or are receiving treatment or advice for:

- A heart or cardiovascular problem (such as heart disease, stroke or angina)?
- · Diabetes, high blood pressure or high cholesterol?
- · Any form of cancer?
- Any breathing condition (such as asthma or COPD)?
- Any gastrointestinal condition (such as Crohn's Disease or IBS)?

In the last 12 months have you had or been recommended to have:

- Treatment or medication prescribed by a doctor, including repeat prescriptions, whether taking it or not?
   You do not need to tell us about hormone replacement therapy or contraception.
- Inpatient treatment or been aware of the need for inpatient treatment?
- · Investigation of a medical condition or awaiting a diagnosis?

If you answer 'yes' to any of the above questions you must declare all your diagnosed health problems you are either suffering from now or have received treatment or advice for in the last 12 months.

## What happens when you tell us about a medical condition

- If you tell us about a medical condition, depending on your answers we will do one of the following:
- Cover your condition for free.
- · Ask you to pay an extra premium to cover your medical condition.
- Exclude cover for all **medical conditions** and any related conditions.

A related condition is any condition that **you** are more likely to suffer from due to **your medical condition**.

If you do not want to pay any extra premium you can choose to exclude cover for all medical conditions and anything related to them.

## Arranging cover for your medical conditions

When we accept a medical condition a Medical Upgrade will be added to your cover. In most cases this upgrade will apply for 12 months, unless your health changes and we can no longer cover your medical condition, or until the expiry of any upgrade or endorsement that is already in place, whichever is sooner.

## **Changes in health**

A change in health is:

- Any change to an existing **medical condition** (including a change in the number of medications **you** are prescribed).
- · Any newly diagnosed medical condition.
- Any signs and symptoms of a new medical condition, whether diagnosed or not.

Where **we** have accepted cover for **your medical condition you** do not need to tell **us** about any changes to **your** health for any **trips** that are already booked. **You** must be fit to travel and must not be travelling against medical advice.

You must tell us about any change in health when you book a new trip and on the renewal date of any existing Medical Upgrade.

## **Renewal of your Medical Upgrade**

Before **your upgrade** ends **we** will send **you** a renewal invitation. **You** may need to contact **us** so **we** can re-assess **your medical conditions**. It is important that **you** do so before **your** Medical Upgrade is due to end to make sure that **we** can continue to cover **your medical conditions**.

If we are unable to continue covering your medical conditions at renewal and you have a trip booked you can make a cancellation claim.

Our medical risk assessment system is regularly updated. This means that the cover we offer for your medical conditions and the premium may change at renewal even if your medical conditions or circumstances have not changed.

#### 1 - Who 'we' are

We are U K Insurance Limited ('we', 'us' or 'our'). We underwrite this Nationwide insurance policy.

#### 2 - What information do we collect about you?

#### Information collected from you & cookies policy

Where **we** have collected information directly from **you** it will usually be obvious what this is, as **you** will have given it to **us**. This might not be the case where **we** have used cookies to collect information from **your** computer or portable electronic devices. Please see **our** cookies policy for more information.

#### Information collected from others

We can collect information about you from others. This includes information from:

- Nationwide Building Society, who we partner with to provide your insurance policy.
- Joint policyholders or policy beneficiaries. Where you are named on a joint policy or a beneficiary of that policy we may collect information
  about you from any named policyholder. We will ask them to confirm that they have your permission to give us this information about you.
- Fraud prevention, law enforcement or government agencies and other data sources used to prevent or detect fraud or provide details
  to us about criminal convictions or offences.
- HM Treasury and other authorities in relation to regulatory issues e.g. where someone is subject to a financial sanction they will appear on HM Treasury's asset freezing list.
- Credit reference agencies e.g. credit searches that are made when we produce a quotation for a new policy or at renewal. (Note that the results
  of these searches are automatically deleted after 12 months and do not affect your ability to obtain credit.) Please also see section 4 below.
- External sources such as no claims discount databases, the electoral role and insurance comparison websites to help us decide what the risk
  is in selling the policy and from companies that hold information about insurance renewal dates, marital status, household residents,
  vehicle details, employment status and household income to help us work out which information we should provide to you about our other
  products and services.

#### Sensitive personal information

**We** collect information that is sensitive, such as information about children, health or geo-location (which may be sensitive personal information because, for example, it can pinpoint **your** location at a hospital), and information related to unspent past criminal convictions or offences. **We** also collect **your** sensitive personal information for specific types of policy or applications, for example when offering **you** a travel policy or a driving application e.g. Telematics. **We** obtain this from **your** mobile devices for driving applications and the following people:

- The main policyholder will provide most of the information we collect about health (including confirming whether hospital treatment is being sought) and unspent criminal convictions or offences, including on behalf of others named on the insurance policy e.g. medical screening to support a travel policy:
- Fraud prevention or law enforcement agencies may provide details to us about criminal convictions or offences;
- Witnesses to an accident may provide medical information to **us** if there is an investigation of a claim;
- We may use information about a child, for example, where the child is a beneficiary under a policy or if involved in an accident.

We collect and use this information as part of your insurance quotation or contract with us, or where it is necessary for a legal obligation, or as part of the establishment or defence of a legal claim.

#### 3 - What do we do with information we collect about you and why may we do this?

We use your personal information in order to meet our obligations in our contract of insurance with you. We and other companies within our group of companies use your personal information in the following ways:

#### A. Provide insurance services

When **you** request **us** to provide **you** with a quote for one of **our** insurance policies or **you** purchase an insurance policy from **us**, **we** use information

- To decide what the risk might be in selling you the policy, to quote for, and provide you with, a premium for that policy and any special terms
  that may apply to that policy (noting that we may use automated decision making to make this assessment see section 9 below);
- To administer your policy and monitor the payment of instalments if you pay your premium in this way;
- To contact **you** about the policy (e.g. for billing or renewal purposes); and
- To provide the agreed service if you make a claim (e.g. sending someone to assist you in a roadside breakdown situation or to provide you with medical assistance if you are injured or unwell when overseas)

We cannot provide the services unless we use the information about vou in this way.

#### B. Do what we are required to do by law

As part of our duty as an insurer providing insurance services, sometimes we are required by law to use information about you:

- To help make sure our customers are being treated fairly (e.g. to assist our regulators where we have a legal duty to do so);
- · To deal with complaints:
- To help prevent and detect crime (including, for example, the prevention or detection of fraud); and
- To comply with a legal or regulatory obligation.

We can use your personal information in this way because we are required to do so by law.

#### C. Prevent fraud occurring

Fraud has an impact on all customers as it increases costs for everyone. **We** use **your** personal information to check for signs that customers might be dishonest (e.g., if someone has behaved dishonestly in the past it may increase the risk they will do so in future).

**We** may use **your** personal information in this way because it is in **our** interests to detect fraud and in all **our** customers' interests to ensure that they are not prejudiced due to increased premiums as a result of a few customers acting dishonestly.

#### D. Recover debt

If you owe us money we will use your personal information to help us recover it.

**We** can use **your** personal information in this way because it is a necessary part of the contract of insurance. **We** need to ensure that premiums are paid so that the majority of **our** customers do not suffer (e.g. through increased premiums) due to the actions of a small minority of customers.

## E. Where your or another person's life may be at risk

We will use your personal information to assist where your or another person's life or health is in danger and obtaining your permission is not possible (e.g. arranging emergency medical treatment in a remote location).

#### F. To administer and improve our services

To administer our services we will share information with others (including to people or organisations that may be based overseas):

- In order to enable us to process your claim or administer your insurance policy more cost effectively;
- To help develop **our** products, services and systems to deliver **you** a better sales and claims experience in the future; and
- To understand how our prospective customers make decisions about which insurance policy is the optimal policy.

We may also process your personal data to better understand you as a customer, including to determine how best to retain your custom, and to ask you to provide feedback on the service we provide to you.

We can use your personal information in this way because it is in our legitimate interests to provide the services in the most efficient way. We will always ensure that we keep the amount of your personal information that we collect and the extent of any processing to the absolute minimum to achieve this efficiency.

## 4 - Who do we share your personal information with and why do we do it?

We may share **your** personal information with third parties and other companies within **our** group of companies for the purposes mentioned in section 3 above. Alternatively, **you** can contact the Data Protection Officer for a list of them. Please see section 10. **You** should make sure everything **you** tell **us** is correct because **your** records may be checked in the following circumstances:

- When **you** apply for insurance, financial services, or work:
- By police and other law enforcement agencies.

In particular we share information with:

- Nationwide Building Society, we will provide them with information about your insurance policy, premium and claims history.
- Fraud prevention agencies that provide databases and services, such as CIFAS, National Hunter, SIRA and ENI, to prevent or detect fraud.
- Fraud prevention agencies will process this personal information in order to assist our prevention of fraud and money laundering, and to verify your identity and may also process your personal information in order to prevent fraud and money laundering by other people.
- Fraud prevention agencies will hold **your** personal information for up to 1 year, or up to 6 years if **you're** considered to pose a fraud or money laundering risk.
- If we or a fraud prevention agency determine that you pose a fraud or money laundering risk, we may refuse to provide the services and / or financing you have requested.
- Law enforcement or government agencies we and fraud prevention agencies may permit law enforcement or government agencies to access
  and use your personal information, if they request it.
- Credit reference agencies help us decide whether to offer you credit if you choose to pay your premium by instalments. We share this information when you first take a policy with us and at each renewal. We may exchange your personal information with credit reference agencies to reflect your credit application (as payment by instalments means that there will be a credit agreement between us). We will let you know before we do this. This will be visible to other credit providers. Failure by you or anyone who pays for your policy to keep up the monthly payments due under your credit agreement will be reflected in your credit score, not theirs. The identities of the credit reference agencies and the ways in which they use and share personal information are explained in more detail at www.experian.co.uk/crain/. Alternatively, you can call us and we will send you a copy.
- Your spouse or partner who calls us on your behalf, provided they are named on the policy. Please tell us who they are when you take out your
  policy. If you would like someone else to deal with your policy on your behalf on a regular basis please let us know. In some exceptional cases,
  we may also deal with other people who call on your behalf, but only with your permission. If at any time you would prefer us to deal only with
  you, please let us know.

- Other insurance companies to help settle any insurance claim or to verify that the information you have provided is correct (e.g we will check
  the amount of No Claims Discount you have told us with your previous insurer). At Nationwide's request we may also transfer information about
  you, others named on the policy, your policy and any optional covers to other insurers, reinsurers and administration companies in order for
  Nationwide to deliver its intermediary services, provide you continuity of cover and optimise the insurance services that you receive.
- Insurance industry bodies such as The Motor Insurance Database to meet our obligations under the Road Traffic Act.
- Insurance industry databases, such as the Claims and Underwriting Exchange where you make a claim so that insurers can check that your
  claims history is correct, the Insurance Fraud Register and, for commercial policies, the Employers' Liability Tracing Office.
- · Government bodies, such as the Driver and Vehicle Licensing Agency.

## 5 - Will we send your personal information overseas?

We may send your personal information overseas to any part of the world. The protections given to your personal information in other parts of the world will often not be as strong as in the UK. Where possible, we will put in place agreements with the people we send your personal information to, to require them to treat your personal information with the same protections that we apply ourselves. our agreements may include standard terms provided by the EU called EU Model Clauses or may require the other party to be signed up to government standards that are recognised as providing the right level of protection such as "privacy shield" in the USA. But it is possible that regardless of what is set out in the agreement this would not stop a government in any part of the world from accessing your personal information, as they can often have power to overrule any agreements we make.

In some cases **we** might need to share information to carry out the services **we** have promised to carry out, for example if **you** require urgent assistance abroad. In such an urgent situation **we** may not always have the time to put in place the type of agreement **we** would normally want to.

### 6 - How long may we keep your personal information for?

We are only allowed to keep your personal information if we need it for one of the reasons we describe in section 3 above.

As a general rule, **we** will keep it for 6 years from the end of **your** relationship with **us**, as it is likely that **we** will need the information for regulatory reasons or to defend a claim. For example, should **you** wish to bring some form of legal action relating to **your** relationship with **us**, this would generally need to be done within 6 years from the end of that relationship. However there may be exceptions where **we** need to keep **your** personal information for longer, such as where a claim has involved a minor.

We will also retain data in an anonymous form for statistical and analytical purposes, for example, to assess risk of flood damage occurring.

## 7 - When can you ask us to stop using your information?

If we rely on your consent to collect and process your personal information, you can ask us to stop using your personal information at any time by withdrawing that consent and we will stop using your personal information for those purposes. We may rely on your consent to tell you about products or services which may be of interest to you or to use computers to make decisions about you to improve our services or develop our products (see section 9).

At any time, **you** can tell **us** to stop using **your** personal information to tell **you** about products or services that may be of interest to **you** or allowing computers to make decisions about **you** in order to improve **our** services or develop **our** products (see section 9). To find out how to do this, see section 10.

#### 8 - What happens if you don't give us some of your personal information?

Where **you** do not provide the personal information **we** need in order to provide the service **you** are asking for or to fulfil a legal requirement, **we** will not be able to provide the service that **you** are asking **us** to give **you**.

We will tell you about why we need the information when we ask for it.

## 9 - How to contact us about this privacy notice

We will collect information about you and put this into our computer systems. The computer systems will make certain automated decisions about you which will be based on comparing you with other people. This will have an impact in terms of the level of premium or product that we offer to you or the products or services that we decide to tell you about. We may also use automated decision making to conduct an identity verification check.

For example, if **you** are under 25 years of age, the computer system may determine that **you** are more likely to have a car accident. This is because the computer system has been told that more people aged under 25 have car accidents. Another example is that, if **you** are under 25, the computer system may determine that **you** are going to be interested in a travel policy which covers high risk activity, such as skiing. Therefore, **we** would proactively seek to tell **you** about such policies as **we** would consider them to be of interest to **you**.

This is important because:

- In providing insurance services it helps us decide what price you should pay for your policy and understand any risks associated with that policy;
- In identity verification it helps us to check that you are who you say you are and to prevent others from imitating you;
- In selling **you** other products it helps **us** decide which other products might be useful to **you**.

We also use computer systems to carry out modelling. Sometimes using your personal information and sometimes using data in anonymised form.

We conduct this modelling for a variety of reasons, for example, for risk assessment purposes to make decisions about you, such as your likelihood to claim. However, we may also use your personal information in that modelling to make decisions about how we improve and develop our products and services, or our pricing and underwriting, or to better understand how our prospective customers make decisions about which policy is the optimal policy (i.e. we are not making decisions directly about you).

#### 10 - When do we use computers to make decisions about you?

**Our** Data Protection Officer is in charge of answering questions about this privacy notice or **your** requests to exercise **your** rights which are set out below. The Data Protection Office may be contacted at U K Insurance Limited, Churchill Court, Westmoreland Road, Bromley, BR1 1DP.

## You may contact us at the address above for one or more of the following reasons:

- To ask us to fix information about you that is wrong or incomplete, or to delete personal information about you (the so-called 'Right to be Forgotten').
- To tell us you no longer agree to, that you object to, or that you wish to restrict us using information about you and ask us to stop.
- A right of access, namely to ask us to provide you with a copy of all of the personal information that we have about you. To receive this
  information please write to the Data Rights Team, U K Insurance Limited, Churchill Court, Westmoreland Road, Bromley, BR1 1DP.
- A "data portability" right, namely to obtain and reuse the information that you have provided to us for your own purposes across different
  services. You may ask for this information to be provided directly to you or directly to another organisation. We will provide the information in a
  machine readable format so that another organisation's software can understand that information.
- To ask **us** not to use information about **you** in a way that allows **our** computer systems to make decisions about **you** (as explained in section 9). Sometimes **we** will not be able to stop using **your** personal information when **you** ask **us** to (e.g. where **we** need to use it because the law requires **us** to do so or **we** need to retain the information for regulatory purposes).

In other cases, if **we** stop using **your** personal information, **we** will not be able to provide services to **you**, such as administering **your** insurance policy or servicing **your** claim.

We will tell you if we are unable to comply with your request, or how your request might impact you, when you contact us.

#### **Complaints**

If you have any concerns about the way in which we are using your personal information, please contact our Data Protection Officer in the first instance and we will endeavour to resolve your concern. However, you do also have the right to complain about how we treat your personal information to the Information Commissioner's Office ("ICO"). The ICO can be contacted at:
